

13 December 2022

Dear parents and carers

Just to remind you, the **first instalment of £15 for the 11s Prom payment is due via [Parent Pay](#) tomorrow**. All the details for the Prom, from our original email to you, are copied below for your reference.

If you are concerned that you may not be able to cover all the instalments for this event as planned over the next five months, **please still go ahead and make the initial deposit payment**. We will be discussing with students in the New Year ways that they can earn credits towards the Prom payment. Additionally, you will be able to apply for financial support from our ACE Foundation fund if necessary.

Best wishes

**Mrs R Miller-Danvers**  
Head of Year 11
