

14 October 2022

Everyone needs to take time out to recharge and relax over the coming two weeks, and we know our Year 11s will be busy with revision for their Mock Exams, BUT it is likely that there will be some days over the break where your young people have finished all their homework and are at a loose end...

Here are THREE ideas you can throw at them to keep them busy:

- 1) **Get on Your Bike** with this great [Cycle Route from Redhill to Reigate](#)
- 2) **Snuggle on the Sofa with a Good Book** using our [Librarian's Autumn Reading Round-Up](#) suggestions
- 3) **Tune into these Daily online Careers Talks** about working in the **construction industry**, offered by Willmott Dixon (register by emailing [communityinteriors@willmottdixon.co.uk](mailto:communityinteriors@willmottdixon.co.uk))

**VIRTUAL  
Careers Talk**

Willmott Dixon Interiors are delighted to host a Virtual Careers Week for all schools and colleges across the UK to join.

Over the course of the hour you will have the chance to learn about the various careers in construction. You will also hear from some of our skilled professionals about:

- Their personal career journeys
- Current job roles and what a day in their life looks like.
- Plus, some top tips for people who are looking to get into the industry and access to our Work Experience Form.

This is ideal for anyone interested in gaining an insight into a career in construction and learn more about the built environment.

To register your interest, please email: [communityinteriors@willmottdixon.co.uk](mailto:communityinteriors@willmottdixon.co.uk)

**Time**
