

18 November 2022

Interest in the Year 7 Residential Trip to Cornwall is higher than expected!

To manage the application process fairly, we will NOT be opening ParentPay at midday today for deposits.

Instead we ask you to request a place by submitting [THIS REQUEST FORM](#), at 18:00 hours TODAY.

The form will go LIVE at 18:00 and your submission will be date and time stamped.

Places will be allocated to the **first 75** respondents; after this, applicants will be registered on a Waiting List.

We will notify you by email, if you have been allocated a place by Friday 25 November. We will open ParentPay for deposits to be paid after that date, which will need to be paid by Friday 2 December.

If you have enquired about ACE funding support, you STILL need to submit this form to request a place.
