Dear parents and carers

Although it is some way off, we are already beginning to make plans for the Leavers' events for this coming summer. We want to provide the best possible Prom experience for our Leavers, balancing quality with affordability.

We have the option to hold the Prom here at school using The Observatory and Main Hall, which obviously carries a much lower overall cost, but it may be not as special as using an off-site venue such as a hotel or golf club. Obviously, this latter option has considerably higher costs and therefore means the ticket price will have to be higher.

Please click to respond to this [VERY short survey](#) to feed your views into our decision-making - it will take only a minute AT MOST to complete. **We need your feedback quite quickly, by Thursday morning, please.**

Many thanks!
The Year 11 Team
