Dear parents and carers

To prepare for the half term ahead, the KS3 Team would like to invite you to an online **Key Stage 3 Parents & Carers Information Evening on Tuesday 1 November between 18:00 and 18:45.**

This webinar will be hosted by Miss Akhavan, Assistant Headteacher, KS3; Mrs Blackwell, Assistant Headteacher, Teaching and Learning; and Mrs Shaw, Second in Charge of English and Literacy Lead.

It will be an opportunity for us to share what has happened this past half term, and our plans for the next one and the remainder of the year. If there is anything you would like more detail about, please contact [Miss Akhavan](#) so this can be addressed on the evening. There will be an opportunity to ask questions on the evening.

If you can attend, please [click here to join the meeting](#) via Microsoft Teams. No prior set up is necessary. We will start promptly at 18:00. The meeting will be recorded and shared via our website within one week.

We hope you will be able to join us.
