

28 November 2023

Dear parents and carers

It is time for our 7s, 8s and 9s to select their Excellence activities for next term. The booklet of activities they can choose from can be found [here](#). Please encourage them to try something new and to challenge themselves, and they should not pick an activity that they have completed before.

If your young person is taking part in either the **Addams Family production** or the **Duke of Edinburgh Award scheme** they **do NOT need to make a selection**, as they will be doing these activities during their Excellence Programme lessons.

**Choices need to be made by completing this [form](#) before Wednesday 6 December at 3.30pm.** The link to this form is also in the Student Weekly, sent to all students on Sunday evenings and published on Arbor, AND it has been emailed directly to your young person.

If students have any questions about the activities please encourage them to speak to Mrs Blackwell ([ablackwell@carringtonschool.org](mailto:ablackwell@carringtonschool.org)). If they have any questions about the form itself please contact Mr Stafford ([bstafford@carringtonschool.org](mailto:bstafford@carringtonschool.org)).

**Mrs A Blackwell**

Assistant Headteacher of Teaching and Learning
