

6 September 2022

Dear parents and carers

On Wednesdays, depending on which option subjects students study, there is a variable start time for Years 10 & 11.

Some start at the later time of 9.15am and others are required at the normal time of 8.30am.

The time that is right for your young person to come in tomorrow, can be seen on their Go4Schools timetable, and their paper timetable will also show this.

If for any reason you cannot access either Go4Schools or the paper timetable, please send your young person in at 8.30am to be on the safe side!

Many thanks
The Carrington Team.
