

## KS3 Religious Education SKI Week Preparation

Students will be tested on **everything they have covered since September, up until the end of this term.**

Students should use their exercise books and resources will be loaded on Teams that they will be able to access to help with their revision.

The paper will be laid out in exactly the same format as their last SKI test.

### Section 1

**Definition Questions (2 marks each).** Students will be asked to define 6 key words and to either give further information or an example of each.

### Section 2

**Multiple Choice (1 mark each).** There will be 5 questions.

### Section 3

**Images (2 marks each).** There will be 3 images and students will be asked to identify the image and to give further information about it, or an example.

### Section 4

#### Written Section

1. There will be a 3 mark question asking students to outline something they have learnt giving 3 points about it.
2. There will be a 4 mark question asking students to explain 2 points about a topic they have learnt
3. There will be a 6 mark question (Y7); an 8 mark question (Y8) or a 10 mark question (Y9). This question will also have 2 marks attached to it for SPAG (spelling, punctuation, grammar).

Students will find it useful to look back at their earlier SKI assessment as the format of this will be similar.
