

GCSE Revision: Science

The exam board we use is **Edexcel**.

Here are some simple ways you can support your young person with their GCSE Science revision:

-  Encourage regular use of **Tassomai** (www.tassomai.com), aiming to complete weekly goals to build knowledge steadily. You can sign up for free parent reports to monitor their usage
-  Help them create **flashcards** for key terms, formulas, and definitions for quick daily review.
-  Guide them to practise **past paper questions** on Save My Exams to improve exam technique.
-  Recommend watching **core practical videos** on the [Pearson website](http://www.pearson.com) to reinforce understanding of required experiments.
-  Ensure they have a **scientific calculator**, essential for Biology, Physics and Chemistry papers

A former student made these quizlets for biology and chemistry or they could make their own

Biology Paper 1: https://quizlet.com/rafi_rahman90/folders/biology-paper-1?i=4pdeIn&x=1xqt

Chemistry Paper 1: https://quizlet.com/rafi_rahman90/folders/chemistry-paper-1?i=4pdeIn&x=1xqt

Biology Paper 2: https://quizlet.com/rafi_rahman90/folders/biology-paper-2?i=4pdeIn&x=1xqt

Chemistry Paper 2: https://quizlet.com/rafi_rahman90/folders/chemistry-paper-2?i=4pdeIn&x=1xqt
