Dear parents and carers

We have made some **changes to our Clubs Timetable**, which has been updated on our [website HERE](#), please do take a look.

This half term our **Badminton club** continues **every Friday**. We are the **first school to have a free Badminton England school club** for 11-16 year olds, run by Alex, an L1 Badminton coach and former county level player so this really is a fantastic opportunity for anyone interested.

We are also partnering with **Old Reigatians** to provide **Girls Rugby** on a **Thursday** after school.

Best wishes
The Carrington Team
