

10 November 2023

Dear parents and carers,

A reminder that Year 10 students are able to **study independently at home on the morning of Tuesday 14 November** before their Religious Studies exam. If students wish to study in school, teachers will remain in their timetabled rooms to supervise.

Students should arrive to school at 10:00 and will remain in school after their exam, following the normal timetable.

Best wishes

Mrs S Howell
Examinations Officer
