Dear Parents and Carers

It has come to my attention that there has been some confusion around making Excellence choices. The email below was sent to both parents and carers AND students which is why the link was included.

**The link will only work for students as we require them to be logged in to their school account to access the link** - doing it this way automatically records student name and email address which assists us in allocating places.

Students will need to click on the link from 6pm tonight and make their choice. If they are not available immediately at 6pm they can do this at their first available opportunity. If they have trouble accessing the form please ask them to visit IT tomorrow. Emails should not be sent to ask for allocations as they need to be time stamped by the form.

If you have any questions please let me know.

Best wishes  
**Mrs H Colman**
