

12 January 2026

Dear parents and carers

We have **updated our Clubs Timetable** for the Spring Term which can be found on our [website HERE](#), please do take a look.

This half term our **Badminton club** has added **an additional session**, so will now be running **every Wednesday and Friday**. Sign up is on Arbor.

Latin Club is taking a break this half term but we hope to have it **back during the summer term** and have a group working towards entry level Latin. If your young person is interested please [complete THIS FORM](#) and **Computing STEM Club is no longer running**.

Best wishes

The Carrington Team
