

13 July 2026

Dear parents and carers

The **Immunisation Team** will be visiting school on **23 September and 3 December** to deliver Influenza (flu) vaccinations via nasal spray.

Please complete the e-consent form for your young person by visiting www.surreyimmunisations.co.uk and entering our school unique code SR143903
E-consent access will close four days before the visit date.

- If you are a **NO CONSENT**, please still complete a consent form but select the 'No' option.
- An **injectable flu vaccine is available that does not contain porcine gelatine**. If you prefer this, please select 'No' for the nasal vaccine and 'Yes' for the injectable flu vaccine and the vaccine will be delivered in school when we visit.
- If you only wish your child to be seen in a clinic setting, please submit an e-consent form and contact us using the details below for a clinic link.
- **Please choose the year group your young person is currently in.** The Immunisation Team will automatically update the year group in September.

An automated email will be sent to you on completion of the e-consent form from school.immunisations@nhs.net. If you do not receive this, please check in your junk email, or contact the Immunisation team on the email below.

Measles, Mumps, Rubella (MMR) Information

By now your child should have had two doses of MMR to fully protect them from the diseases of MMR. If your child has NOT had two doses of MMR, and you would like them to be protected, please contact the Immunisation Team on the email below.

Information about MMR and answers to some common questions can be found at [MMR for all: general guide](#).

Please visit [Surrey Child and Family Health](#) for information about the school-based vaccination programme and to read our [Privacy Policy](#). If you have any concerns or would like to withdraw your consent, please contact us on 0300 247 0024 or on scfh.contact@hcrhcaregroup.com.

Yours faithfully

Clinical Service Manager
Surrey Immunisation Team
