

13 October 2023

Dear parents and carers

The email you received yesterday about Carrington being a **Nut-Free School**, requesting that care is taken when purchasing snacks for school and packing lunches, was sent to **ALL MEMBERS** of the school community, as a precaution to protect people with a nut allergy.

Our apologies to those who felt singled-out by the way it was worded; we like to personalise our emails wherever possible using your young person's name, but on this occasion it has led to some confusion.

We hope you have a lovely weekend,

Best wishes
The Carrington Team
