

14 April 2026

Dear parents and carers

We have **updated our Clubs Timetable** for the Summer Term which can be found on our [website HERE](#), please do take a look. We have plenty of **exciting summer sports** on offer this term including athletics, tennis, rounders and cricket.

Please note the following important updates:

- **Textiles Club will be for KS4 only THIS WEEK** due to coursework deadlines. **KS3 are welcome to join again next week**
- **Badminton club** will not be running this term as it is considered a 'winter' sport
- **Basketball and Gymnastics** will only be running until exams start, week beginning 4 May

All clubs are running this week, and as always, students can just turn up unless it says sign up is required on the timetable.

Best wishes
The Carrington Team
