Dear parents and carers

If you are interested in **instrument or singing lessons** for your young person in September, please [take a look at our presentation about what is on offer on our website HERE](#).

We have a range of talented professional tutors who work with us to offer one-to-one lessons within the school day. They offer these lessons at **preferential rates** so you don't pay as much as you would for private lessons taken outside of school. We also **hire some instruments at £30 per term** for students to learn on. We do not currently have tutors for all instruments mentioned in the presentation but if there is enough interest, we will look to engage tutors.

The link to sign up can be found in the presentation or you can [CLICK HERE TO REGISTER](#). If your young person already has lessons there is no need to sign up again, they will continue on in the new term.

Great for developing perseverance, self-discipline and cognitive ability, playing an instrument is also very good for emotional and mental well-being. No one ever regrets learning to play an instrument!

Best wishes

Miss F Deane

Subject Leader, Performing Arts
