Dear Parents and Carers

We are writing to ask for your support in reinforcing with students the importance of behaving respectfully and responsibly within our local community, particularly before and after school.

Recently, there have been occasions where large groups of students have been gathering around McDonalds and the bus station. While we appreciate that students have to wait for their buses, and naturally wish to socialise with friends, we would ask that they remain mindful of how their behaviour may impact members of the public and local businesses.

We would be grateful if you could remind your young person of the importance of:

- Being respectful and considerate towards members of the public
- Using appropriate language at all times
- Avoiding intimidating behaviour, including gathering in large groups that block pathways or entrances
- Following instructions from bus drivers, transport staff, shop staff, and other adults where necessary
- Acting in a way that keeps both themselves and others safe

Students represent both themselves and the school when they are in the community, and we are proud when they demonstrate the values of kindness, courtesy, and respect.

We appreciate your continued support in helping us maintain positive relationships within our local area and ensuring that all students travel safely and behave responsibly.

Best wishes  
**The Carrington Team**
