

15 January 2026

Dear parents and carers

As you may remember from our email back in November, at the end of Year 11 students have the opportunity to complete an **expedition to Morocco** where they will contribute to local communities via charity work. Yesterday in assembly [True Adventure](#) (the company that organises these trips) gave an inspirational presentation to Year 10 about this.

I am very excited about this amazing opportunity as it will give students the chance to do something really unique that will help them stand out from the crowd. The experience will provide them with a wealth of new skills which they will find invaluable in school, at university and in the world of work. What sets these adventures apart from other school trips is that students have the added responsibility of raising funds for it themselves. They also have the opportunity to plan the adventure and lead the team whilst in Morocco.

I would like to invite you to join us for an online information evening, presented by True Adventure, where you too will have the opportunity to hear all about the amazing challenges that your young person will have the chance to experience if they choose to go on this trip. The information evening will be held on **Thursday 22 January at 6:00pm. Access via the QR code below or via this [link](#).**

This will be an informative and interactive presentation with plenty of opportunity for questions, along with images of the adventure and what it will be like to take part. I am very much looking forward to the evening and I hope you are able to join us. There will also be lots of information on what students will do whilst overseas, the safety and back-up during the trip, and the benefits of taking part.

Best wishes
Mrs K Gray
Assistant Headteacher - Student Experience
