

15 July 2025

Dear parents/carers and your young person

Unfortunately, the new software we were using to make Excellence choices has a fault and **we are unable to accept any responses currently.**

Mr Stafford is working hard to sort this out and a new link will be sent to you at some point tomorrow with new instructions on how to make your choices.

I apologise for the confusion today and hope we have better luck tomorrow!

Best wishes

Mrs Colman

Marketing & Events Coordinator / Excellence Coordinator
