

15 September 2026

Dear parents and carers

Our next **SOCS (Supporters of Carrington School) meeting** is this **Wednesday, 16 September at 6pm** in our library, **Antares**.

All parents and carers are invited to join us. This is a great opportunity to find out more about what SOCS does and how you can get involved in supporting the school community. We'll also be discussing plans and events for the new school year ahead. Take a look at our previous events and activities [here on our website](#).

Whether you're a returning supporter or new to the school, we'd love to see you there!

Best Wishes
SOCS Team
