

16 July 2026

Dear parents and carers

It is almost time for your young person to make their Excellence Choices for next term (Sept - Dec). Please take the time over the next few days to look at the brochure with your young person so they can decide on their five choices. Students will be able to indicate their top choice, but we cannot guarantee they will get that so they must be willing to do any of the five activities.

The form, which has been sent to your young person's school email address **will go live at 7:30am on Monday 20 July**. They will have until 1 September to complete the form, but the earlier they complete it the more chance there is of them getting their top choice. **The link will only work for students – they must be logged in to their school account to access it** - doing it this way automatically records student name and email address which assists us in allocating places. The form is the only way we can accept responses so if your young person has any trouble accessing it, they must go and see IT before we break up on Wednesday. Not having working IT is not an excuse for not making choices.

Students that have been accepted on to Bronze DofE next year (Y8 only) should still complete the form indicating they are doing DofE, but they will not need to make choices.

If students do not make choices they will be allocated an activity and there won't be any swaps.

Best wishes
Mrs H Colman
Excellence Coordinator
