

16 October 2025

We are looking forward to seeing Year 7 parents and carers tonight for our **Meet the Tutor event**. This is an opportunity for you to meet your young person's tutor and ask any questions you may have.

You will also have the opportunity to hear students' Choir of the Year songs, a good opportunity to practice in front of an audience before the big competition tomorrow. **All students are taking part in the Choir of the Year performances so please can your young person return to school for 5:30pm in full school uniform.**

As all our usual lettings will be taking place this evening there will be limited parking on site. Please try to walk or park in the surrounding area if you are driving.

Best wishes
The Year 7 Team
