

17 July 2023

Dear parents and carers

We love to recognise **those who go above and beyond in their work**, both staff and students.

We invite you to nominate any member of staff that you feel has really supported your young person or your family, or who has done something which you deem to be above and beyond.

Please click on this link to make nominations. You may make as many nominations as you like! All nominations receive a letter of thanks and their name goes into a draw for a prize. Please make any nominations by **midday on Thursday 20 July**.

Many thanks.

The Carrington Team
