Dear parents and carers

Here at Carrington School we promote equality of opportunity and social mobility. Understanding whether a young person's parents have attended University or studied at Higher Education level, enables us to target activities and experiences in school that will help to widen participation in higher education. We want to encourage our students to aim high and aspire to be their best.

To help us with this, <u>please could you complete THIS FORM.</u> The form only has a few short questions and should take around 3 minutes to complete.

Best wishes **Mr D Martin** Senior Leader – Aspire and Innovate 01737 764356 Ext 218
