

17 September 2025

Dear parents and carers

The Immunisation Team visited school yesterday to deliver **Influenza (flu) vaccinations** via nasal spray. If you missed this opportunity and would like your young person to receive this vaccination, please complete the e-consent by visiting

www.surreyimmunisations.co.uk and entering Carrington's unique code **SR143903**

The team will be revisiting school on **Thursday 2 October**, and, on completion of the consent form, your young person will be added to the list to be seen on this date. **If you have previously given consent you should not complete this form again.**

- If **you do not** want your young person to receive a vaccine, please still complete a consent form and select the 'No' box.
- If you do not want your young person to receive the nasal spray vaccine on the basis of porcine gelatine, please fill in the '**No**' box indicating this, and you will be given the opportunity to consent for an alternative vaccination. This vaccination is delivered by injection into the arm and does not contain any porcine gelatine.

This vaccination is recommended to help protect against flu. Flu can be an unpleasant illness and can cause serious complications. Vaccinating your young person will also help to protect more vulnerable family and friends by preventing the spread of flu.

Further information can be found at the following link:

[Children's flu vaccine - NHS \(www.nhs.uk\)](http://www.nhs.uk) or <https://youtu.be/TKSL5UWg4yg>

If you have any concerns or would like to withdraw your consent, please contact the Immunisation Team on the email or phone number below and inform the school.

Measles, Mumps, Rubella (MMR) Information

By now your young person should have had two doses of MMR to fully protect them from the diseases of MMR. If they HAVE NOT had two doses of MMR, and you would like them to be protected, please contact the Immunisation Team on the above email.

Information about MMR and answers to some common questions can be found at:

<https://www.gov.uk/government/publications/measles-dont-let-your-child-catch-it-flyer-for-schools>

If you would like any further information about the school-based vaccination programme, please contact the Immunisation Team on the telephone number above or visit <https://surreychildandfamily.co.uk/> where you will find additional information about immunisations, school session dates, catch-up clinics and to read our Privacy Policy

Yours faithfully

Clinical Service Manager
Surrey Immunisation Team
