Dear parents and carers

At Carrington School, we are continually looking for ways to ensure that our Personal Development (PD) curriculum supports our students in the most meaningful and relevant ways possible. To help us achieve this, we would be very grateful if you could take a few minutes to complete a short survey.

Your views will help us better understand the personal development topics that you feel would benefit your young person most at the relevant stages in their education and life. By working together, we hope to tailor our PD lessons to reflect the real-life challenges and opportunities our students face, giving them the tools and confidence to thrive both in and outside of school.

**Please click the link below to complete the survey:** <https://forms.office.com/e/6QWBySsu2F>. The survey will remain open until 5:00pm on Friday 25 July.

Thank you for your support in helping us develop a curriculum that truly meets the needs of our young people.

Warm regards,

**Ms N Messina-Persad**

Subject Leader of Personal Development
