

20 June 2025

Dear parents and carers

We want to share with you an overview of our usual pattern of “Big Trips” across the whole of the secondary experience here at Carrington to help with your decision-making as families, many of whom have more than one young person with us and may be looking to plan finances across a number of students and over a number of years.

Please note there will often be one-day, subject-specific trips offered during the year for all year groups as well as these ones. Additionally, we may need to vary this offering dependent on factors arising.

Parents of current 8s and 9s will have received emails earlier this week with notice about the Iceland and Holland trips – the forms to request a place on these open at 6pm tomorrow, Friday 20 June.

	Big Trip Opportunities	Time of the Year	Approx. Cost
