

20 February 2024

Dear parents and carers

On Thursday 29 February during Period 1, Year 7 students will complete a Maths skills assessment in the Sports Hall. **This assessment requires no revision or preparation** and is a follow up to the skills assessment that was completed in class before Christmas.

The assessment is 45 minutes long and will provide students with low pressure experience of sitting assessments in the Sports Hall. This experience will support them later in their school career when exams become more pressured during Key Stage 4. All students will be notified of these arrangements in assembly this week.

Please can I reiterate, that there is no more preparation or revision required for this assessment.
