

20 February 2024

Dear parents and carers

Next week, Year 8 students will complete a Maths and an English skills assessment in the Sports Hall. The Maths assessment requires no revision, and preparation for the English assessment is set as homework and is the usual end of topic assessment.

Each assessment is 45 minutes long and will provide students with low pressure experience of sitting assessments in the Sports Hall. This experience will support them later in their school career when exams become more pressured during Key Stage 4. All students will be notified of these arrangements in assembly this week.

The assessments will take place as follows:

English - Tuesday 27 February, Period 1

Maths - Wednesday 28 February, Period 1

Please may I reiterate that there is no more preparation needed for these than is usual for end of topic assessments.

Best wishes
