

20 March 2026

We are once again assisting Surrey County Council's Safer Travel Team to understand pupil's types of travel to and from school.

[Click here to access the survey](#)

The deadline for completion of the survey is **12 April**, and the survey should be completed separately for each child that attends our school.

The objective of the research is to develop a better understanding of the different types of travel used, and to ascertain if this is changing over time. The Safer Travel Team's goal is to assist schools to continue to encourage safer and more active ways of travelling to school.

As a thank you for taking the time to help them, The Safer Travel team will donate £25 for every 100 surveys completed* to your choice of the following two charities; [Stripey Stork](#) and [Charlie's Promise](#).

Thank you for continuing to support our school to improve pupils' journeys to school.

*Please note that the overall amount that will be donated is subject to a restriction within an available budget.

Best wishes
The Carrington Team
