

21 March 2024

We know that many of you will be here at school this evening for Pathways Evening so **we have changed the time the form opens to 8:00pm this evening.**

Dear parents and carers

We are excited to be able to offer Year 9 students the opportunity to **visit [the Gatwick STEM centre](#) for a fun-filled day of team challenges** such as building and racing electric cars, creating the strongest bridge and finding the quickest and most efficient way of clearing water off the runway.

The date of the visit is **Tuesday 30 April**. We will be leaving school at 9:00am and travelling to the centre by train, returning to school at approximately 3:05pm. Students will need to bring a packed lunch.

Spaces are limited so if you are interested in a place for your young person please complete [THIS FORM](#) to register your interest. The form will open at 6:30pm tonight (Thursday 21 March) and will close at midday on Monday 25 March.

If you are successful in getting a place, **we will let you know by Tuesday 26 March**. The cost of the trip is **£2.50** which will be added to successful students' ParentPay on Tuesday.

If you have any questions please let me know.

Best wishes

Mrs K Gray

Associate Assistant Head - School Improvement Lead
