

22 March 2024

Dear parents and carers

It was great to see so many families last night; I hope you and your young person found it useful to feed into your decision-making over the next few weeks.

We have today **emailed your young person a link to make their Options choices**, please ask them to check their school email. **The Options form will be live between 22 March and 15 April** for your young person to make their choices.

If your young person signed up to attend the **Carrington and Dorking Wanderers Talent ID** on Monday 25 March, we will email them with all the details. If they didn't sign up, but are still interested in taking part, please email Mr Lockhart directly.

If you haven't already, please **let us know your thoughts on the one-to-one device scheme** we are offering by **completing [THIS FORM](#)**.

Mrs M Basso
Senior Deputy Headteacher
