

23 January 2026

Dear parents and carers

After half term we will be holding **mock exams for our Year 11 students**. Ahead of this we wanted to provide you with some important information. Mock exams will take place during the week beginning **Monday 2 March, ending on Friday 6 March**.

Your young person's individual timetable is also now live on Arbor. While we are not planning on making any changes to this, there may be small changes to seating plans so please ensure your young person checks Arbor regularly during the exam period.

During the coming weeks we encourage your young person to review their notes, complete any outstanding assignments, and seek help from their teachers if needed. Should you require any subject-specific information, please do contact your young person's class teacher who will be happy to give further guidance. Staff email addresses can be found [on our website HERE](#).

We will be holding an **Exams Webinar on Tuesday 24 February at 6:00-7:00pm**, where we will provide further details on both the mock and final exams. This will also give you a chance to ask any questions of both our exams officer, Mr David, or me. A link to join the webinar will be sent before half term.

These exams are an important part of students' academic journey, providing them with an opportunity to practice and prepare for their final exams and we thank you for your continued support with revision and preparation.

If you have any questions or concerns, please do not hesitate to contact us. We are here to support our students and ensure they have the resources they need to succeed.

Best wishes
Mr M Lockhart
Deputy Headteacher, KS4
