

25 June 2025

Dear parents and carers

This week Mrs Smith has been organising our considerable collection of Lost Property items. We have a large container of **shoes and trainers, a selection of PE kits, sweatshirts, umbrellas, water bottles and lunchboxes, and a full rail of winter coats** under the stairs in the Observatory.

If you think your young person has mislaid a possession here at school, they can come and take a look during the school day. We know some of them can be a bit funny about doing this so **you are also very welcome to visit our Lost Property area yourself, which is in The Observatory under the main staircase**. The site is open from 5:00pm during the week and during the daytime on Saturday and Sunday, and The Observatory is open during those times.

We also have in Reception a selection of **jewellery, glasses, earphones and keys**. Please take a look at the **photos on our website [HERE](#)** and if you recognise anything please either send your young person or you can come in to Reception between 8:00am and 4:00pm during term time to take a look.

Lost Property that has not been claimed by the end of this term will be donated to Charity Shops and the local Recycling Centre.

***Please - come and find your lost things!***

Best wishes

**The Carrington Team**
