

28 April 2026

Dear parents and carers

Last week, students in Years 7, 8 and 9 attended an assembly led by the **Surrey Wildlife Trust**, introducing their exciting **Actions for Nature Competition - 10s and 11s can take part too!** This initiative encourages our school community to take **small, simple actions to support nature**, which together can make a real difference to local and national wildlife. By taking part, we also have the chance to **win prize money for the school**, helping us to further support environmental projects.

To be in with a chance to win, **everyone needs to log their actions for nature**. Actions can include everyday activities such as helping wildlife in gardens, reducing waste, or learning more about nature. **Staff, parents and students can all take part**, so we encourage the whole family to get involved.

You can log your actions using this link: [Log Your Actions for Nature](#)

Thank you for supporting this important initiative. Together, our small actions can have a big impact.

Actions for nature

Have you taken any recent actions for nature at home or in the community?
Could you take an action to support our wildlife?

 Leave your garden wild	 Water for wildlife	 Food for wildlife
 Chemical free gardening	 Plant a hedgerow	 Go flexitarian
 Use your voice	 Homes for wildlife	 Walk, cycle, take the bus
 Litter pick	 Plant a tree	 Surrey Wildlife Trust surreywildlifetrust.org

How to take part:

1. Complete one or more Actions for nature at home or in the community.
2. Record your action then select a location on the map!

Why take part:
If we all take an action for nature, we can make a difference to our wildlife in Surrey!

Scan the QR code to record your action!

Best wishes
The Carrington Team
