

28 November 2025

Dear parents and carers

I am writing in regard to last week's Year 8 Parents Evening. Once again, I apologise for the issues that you experienced in speaking to your young person's teachers. We have looked at dates where missed appointments can be rerun, and we have identified that there is capacity to run these Wednesday and Thursday next week, 3rd and 4th December, when we are running a Year 10 and 11 in person event. **Appointments will be held face to face rather than online.**

I invite you to book replacement appointments for those that you missed, and I have arranged for invitations to be sent to all parents who had an appointment before 6.15pm, when the systems were restored – invitations will not be sent to those who are already attending Year 10 and 11, however, if you log in to your appointments, you will find Year 8 appointments added for you to book. **Please only book to see teachers whose appointments you missed as the appointments are limited.**

Please note that there is limited parking on the school site and that the double yellow lines on Noke Drive are regularly patrolled, so please arrange to park in town or be dropped off for this event. Disabled parking is available, please use the gate buzzer in order to access the site.

If you have any questions, then please contact Mr Stafford. Bookings will close on Wednesday 3rd December at 8.00am.

Kind regards

Ben Stafford
