

29 April 2024

Dear parents and carers

Later this term your young person will have the opportunity to attend Taster Sessions at our two partner colleges **East Surrey College** (Tuesday 25 June) and **Reigate College** (Tuesday 9 July). I encourage everyone to attend BOTH as they provide a great opportunity to try out some of the subjects offered at the colleges and also to get a feel for the two different college environments. In assembly last week, people from both colleges came in to talk about the Taster Days. This is a great opportunity for your young person to sample subjects which they may wish to study when they leave Carrington School at the end of Year 11.

The brochure for the Reigate College Tasters, and **link to make their choices**, was given out in the PD lesson today, so your young person can make their subject choices online. They need to select 6 subjects, of which they will be allocated 3 on the Taster morning. Please encourage them to make good choices.

- [Reigate College LINK to make subject choices](#)

The brochure for East Surrey College Tasters, and **link to make their choices**, will be given to students in two weeks' time on 13 May, and emailed home that day too so that you can support with subject selections.

The Carrington School **deadline for selection of Taster Day subjects is Friday 17 May.**

On the Taster Days students are not expected to come to school before or after the event, including for Reigate College which will finish at 12 noon. The small number of students who might, for good reason, choose not to attend one or both of these events, will be expected to attend school as usual with an adapted timetable.

Best wishes

Mrs J Pearce
