Dear parent and carer

On Tuesday 10 October @ 18:30 we invite you to attend an online webinar called **How to Support your Young Person through their GCSE and BTEC Courses.**

We will cover topics including College courses and the information provided to Colleges, the mock exam schedule and the expectations and support for students through exam periods.

I will email you a Zoom link to join this webinar at the end of next week; for now you may like to note the date and time on your calendar.

If you have any questions prior to the evening please contact me by email (srolt@carringtonschool.org).

Best wishes
Mr S Rolt
Deputy Headteacher
