

3 July 2025

Dear parents and carers

I wrote to you in April about our exciting Culture & Challenge Days which are coming up soon, on **Wednesday 9 and Thursday 10 July**. I am now pleased to be able to provide the specific details for your young person for these events.

### **Wildwood, Guildford**

The students will take part in the high tree top rope course and three aerial challenges – “leap of faith”, “Jacobs ladder” and “telegraph pole”. They will be travelling by coach to Guildford.

**Meet time:** 08:00 outside Altair building

**Clothing:** Own clothes, please wear long sleeve top and joggers/sports leggings to minimise discomfort from the full-body harness. Students may wish to bring gloves for added protection.

**Extras:** Packed lunch is essential (if you are in receipt of Free School Meals, a packed lunch will be provided for you), snacks, water, personal medication to be kept with the student across the day (asthma pumps & auto injectors), sun cream. There is a small snack shack, so [NAME] may wish to bring a card to buy something to eat.

**Return time:** 16:00

### **Thursday 10 July**

#### **Community Day**

Here in the school grounds, the students will have a practical hands on (for those brave enough!) and interactive day with displays from Huxley's Birds of Prey Centre and Tom's Talking Reptiles and talks from the Terrence Higgins Trust and Tony Kelly Red Card Gambling.

**Meet time:** 08:30 outside Altair building

**Clothing:** Full PE kit including weatherproof jacket should the weather be inclement.

**Extras:** Packed lunch optional or food available as a normal school day from The Observatory, water, personal medication to be kept with the student across the day (asthma pumps & auto injectors), sun cream. **No mobile phones allowed.**

**Finish time:** 15:00

Our vision is that, through these two days off-timetable where we are offering an array of activities both in-school and out, students will have the opportunity to get beyond the academic curriculum, have some fun with peers and staff members, share cultural experiences and some personal challenges that will build their skills and open their minds to possibilities for the future.

If you have any further questions, please do contact the Year 9 Hub.

Best wishes

**Mr I Miles**

Community Partnership Coordinator
