Dear parents and carers

Back to School

As summer break finishes, we are really looking forward to welcoming everyone back to school for the start of what looks set to be an exciting and rewarding academic year.

Lots of work has gone on through the summer to continue to ensure a super learning environment for our students, including the installation of canopies to provide new covered areas for eating and socialising (see photo below).

School starts tomorrow, Thursday 1 September, for all staff members, all Year 7 students, and the Year 9 Mentors that are helping us out. **A reminder that Year 7 students should bring a packed lunch for tomorrow only.** Year 7s should arrive at 11am tomorrow, and at 9am on Friday.

Years 8, 9, 10 and 11 start back on Friday 2 September, arriving at 8.30am.

Please remember that all the dates for the term ahead can be found on our [website calendar](#), and all [emails sent home can be referenced here on our website](#) too.

Students are expected to return in full school uniform, with their equipment and a mindset ready to learn. If there are any problems we need to be aware of please email the student Hub Coordinator for your year group.
