

4 July 2025

Dear parents and carers

Our first set of one-to-one devices have now been delivered to students in Year 7. After a few teething problems, which we have now ironed out, we would like to invite you to purchase in our Summer window, for delivery early in the Autumn Term.

If you have any questions about the programme you can find a [useful brochure on our website HERE](#) and our [Frequently Asked Questions about the programme HERE](#).

If you would like to sign up now, the link to the portal can be found below; this will close on 10 July. If you are unable to purchase now, the portal will reopen again in September for delivery around Christmas time.

#### General

<https://portal.devicesondemand.co.uk/version-live/invite/carrington-school-year-8>

#### PP/Twins/Siblings

<https://portal.devicesondemand.co.uk/version-live/invite/carrington-school-year-8-pupil-premium-wr5ws>. ***As a parent of a pupil premium student, or a parent of multiple Year 7s, these are the login details you need for the discounted offer.***

If you have any questions not answered in the resources above please contact me via email [bstafford@carringtonschool.org](mailto:bstafford@carringtonschool.org)

Best wishes

**Mr B Stafford**

Director of Emerging Technologies
