

4 June 2026

Dear Parents and Carers

Firstly, I would like to thank you for your ongoing support during the examination period. Our Year 11 students have done incredibly well so far, showing resilience, focus and determination.

As we move into the final stages, this really is the *last push*. Every remaining exam is just as important as the next, and punctuality is absolutely crucial to ensure students can perform at their best.

We kindly ask that you help your young person to be fully prepared each morning by putting robust alarm systems and routines in place. Please ensure they leave the house in good time so they can arrive calmly and promptly at the exam hall. Arriving late can cause unnecessary stress and, in some cases, may impact a student's ability to sit the exam under the correct conditions. A smooth, punctual start sets the tone for success.

Should you need it, the exams timetable is on our website [HERE](#).

Thank you for your continued partnership in supporting your young person through this important period. Together, we can help them finish strong.

Best wishes

Mrs F Lockhart and Mrs S Oakey
Heads of Year 11
