

4 June 2026

Dear parents and carers

In preparation for our upcoming Awards Evenings later this term, we are inviting parents and carers to nominate students for one of our **Special Recognition Awards**. These awards will be given to students who have achieved something exceptional outside of school in this academic year, that we may not be aware of.

This could include achievements at a regional, national, or international level, or other significant accomplishments that go above and beyond typical expectations. Examples of achievements that might be considered include:

- Representing Great Britain (or another national team) in a sport, such as gymnastics, and achieving a top placing in a national competition
- Performing in a West End production, major theatre performance, or professional touring show
- Appearing in a blockbuster film, television series, or high-profile media production
- Competing at an elite level in sports (e.g. national championships, academy-level representation, or professional pathways)
- Demonstrating extraordinary commitment to community work, charity, or volunteering with a significant impact

This is not an exhaustive list, and we warmly welcome nominations for any outstanding achievement along these lines.

We have a limited number of Special Recognition Awards to give out; if you would like your young person to be considered, [please complete THIS FORM](#) before Friday 12 June.

Best wishes
Mrs M Basso
Senior Deputy Headteacher
