

5 February 2026

Dear parents and carers

You may remember I contacted you earlier this year to tell you about the **exciting opportunity to visit Morocco** that is open to your young person when they finish Year 11. **We currently do not have enough students signed up to make the trip viable.**

If you are still unsure about this opportunity, all the information (including Parent Presentation; itinerary; details about the company) can be found here: [Carrington School expedition to Morocco 2027 - True Adventure.](#)

The link to sign up can be found at the bottom of this page (using expedition ID: CARMOR27). If you cannot make the initial deposit straight away but would like your young person to go on the expedition please sign up and contact the company to arrange a payment plan.

The deadline for signing up is 1 March.

Best wishes

Mrs K Gray

Assistant Headteacher, Student Experience
