

5 March 2026

Dear parents and carers

Due to unforeseen circumstances, we have had to make some changes to RE appointments for Year 9 Parents Evening on Wednesday 18 March.

As a result, all existing appointments have been cancelled. A new event has been set up running from 4.30pm.

Miss Tariq will be available from 4.30pm till 6pm and Miss Hawkins will be available from 4.30pm until 8pm. If your young person is interested in pursuing a GCSE in RE, then please make an appointment with their teacher. If you need an appointment after 6pm for Miss Tariq, then Miss Hawkins will speak to you as she will have been fully briefed by Miss Tariq.

Please accept our apologies for this change.

Kind regards

Mr B Stafford

Director of Emerging Technologies

Teacher of Maths and Economics
