

6 November 2025

Dear parents and carers

As you know, **SKI Week assessments are taking place.** For **Year 11** these will **finish on Friday lunchtime next week.** Friday afternoon will be normal timetabled lessons.

Next week, Year 11 students will be given dedicated Exam Preparation time at home each day as follows:

- Monday 10 November - arrive at school at 9:50am. Go straight to the Sports Hall for their English exam.
- Tuesday to Thursday - arrive at 10:30am for a 10:50 start to exams.

If your young person needs to be in school to revise before the exams, please email me (bstafford@carringtonschool.org) so that I know numbers staying on site.

Please encourage your young person to take these exams seriously, they are excellent practice for their final GCSE exams taking place next year.

There will be an exam results report issued before Christmas so that you can see how your young person has got on. I hope that your young person has a successful week next week.

Best wishes

Mr B Stafford

Director of Emerging Technologies
