

6 October 2026

Dear parents and carers

On **Tuesday 13 October, between 4.30pm and 7.00pm**, you will have the opportunity to meet virtually with your young person's Tutor. This is a chance to celebrate your young person's successes, discuss their attendance, wellbeing and behaviour, and explore any additional support that may help them achieve their full potential.

The meeting will run through an intuitive and easy to use online appointment booking system, **School Booking**, which allows you to book your appointments online and the appointments will take place via video. Each meeting will be 4 minutes and will end automatically.

Bookings will open on Thursday 8 October at 8am and you will receive an automated email from School Booking (noreply@schoolbooking.com) when bookings open. If you have already made bookings for a child at Carrington, you can log in as normal. If you have not previously logged in you will need to click on the activation code in the email where you will be prompted to set up a password. You must use the email address that the email was sent to, you may need to check your junk/spam mailbox.

The email will only be sent to the priority 1 contact we hold on our system but you will be able to invite another participant to join the meetings.

Please note, you will not receive a confirmation email of the bookings made but you can visit carrington.schoolbooking.com at any time to log in to your School Booking account and see your appointments.

Tutor availability will reduce as times are booked, so if you are unable to find a suitable time to meet with your young person's Tutor or if you have any questions about the process, please contact me (bstafford@carringtonschool.org).

Best wishes
Mr B Stafford
Senior Leader
