

6 September 2023

Dear parents and carers

We have an opportunity for a small group of 10 students to attend an exciting **trip to visit Colt Technology in London, on Monday 9 October**. The trip is sponsored by [Cyber Girls First](#), to promote Girls in Computing, and will involve an interactive history of computing, a presentation on anti-hacking and online safety and a round table with opportunities to talk to the National Museum of Computing, Colt Technology and Deloitte. Students will receive lunch and a goody bag at the end of the day.

As places are limited, please can you discuss this with your young person and let us know **by Friday**, using [THIS FORM](#), whether they would like a place.

This is a free event and the only cost will be for travel which we do not expect to be more than £20. If you are allocated a place we will let you know on Monday 11 September, with further details about timings and travel.

If you have any questions about the trip please contact me on cxavier@carringtonschool.org.

Best wishes

Mr C Xavier

Teacher of Computer Science
