

7 February 2024

Dear parents and carers

As this week is **National Apprenticeship Week** I thought that it would be a good opportunity to highlight this vocational route available to your young person when they leave Carrington School at the end of Year 11. [Apprenticeships](#) are one of the options available to your young person when they leave School, but can also be accessed at any point in their working life. They are a great way into an area of work as they provide all the training and skills to ensure success.

Your young person has been learning all about Apprenticeships in their Personal Development lessons this week. Alongside this you can find more information in the [Apprenticeships Guide for Parents & Carers HERE](#). We also have other useful information available on the [Careers & Pathways page HERE](#).

If you have any questions please feel free to drop me an email (jpearce@carringtonschool.org).

Best wishes
Mrs Pearce
Careers Lead
